Supervisors discussion on SB 841, now called Act 15 of 2020 for Real Estate Tax relief allowing no penalty to be added to real estate tax bills as long as the tax bill is paid by Dec. 31, 2020. Upon passing the Resolution allowing all township residents to do this with the township real estate tax bills,.....Supervisors stated they will wait and see what the Westmoreland County Commissioners are going to do, if they are going to grant the tax relief due to the confusion on separating the tax bill due to the township and county real estate taxes being on one duplicate....could be a very big headache for tax collector if she has to separate taxes if County does not approve doing the relief also. If necessary, township can do Resolution at the 4th Tuesday of month for a special meeting at 4:35pm.

No other new business

No old business
